WHY CHOOSE ION HYDRO CHARGE?

Dehydration doesn't wait for you to notice.

Dehydration doesn't wait for you to notice—it silently drains your energy, focus, and performance. Leo Ion Hydro Charge is scientifically formulated with essential electrolytes (Sodium, Potassium, Magnesium, Calcium, and Chloride), Vitamin C, and Dextrose to deliver instant hydration and energy replenishment when you need it most.

Whether you're an athlete pushing limits, a professional powering through long workdays, or simply dealing with hot weather and physical activity, this clean formula fights dehydration, muscle cramps, and fatigue—without any junk or unnecessary additives. Just drop, fizz, and feel the difference with our refreshing lemon-lime flavor.

Did You Know? Just a 1% drop in body hydration can reduce performance by up to 10%! Proper electrolyte balance is essential for energy, muscle function, and mental focus.

01

Simple to use

A straightforward routine that takes under 2 minutes.

02

Easy to carry

Made to travel with you so you don't miss a day.

03

Designed for daily consistency

A format you can actually stick to long-term.

04

Made to be enjoyable

A clean, refreshing experience you look forward to.

Features

Better absorption, effortless to consume, travel-friendly, and great taste—that's why effervescent tablets are a smart choice.

Vegan Friendly

100% plant-based formula
no animal ingredients, ever.

Gluten Free

safe for gluten-sensitive
user without compromising
performance.

100% Reusable Packaging

Eco-conscious tubes made
to reduce waste support
sustainability.

A precisely balanced blend designed for rapid absorption and maximum effectiveness.

Each effervescent tablet contains electrolytes, vitamins, and quick energy support — finished with a refreshing lemon-lime flavour.

Sodium (Electrolyte)

Maintains fluid balance, supports nerve function, and helps prevent dehydration.

Potassium (Electrolyte)

Supports muscle contractions, reduces cramps, and supports heart health.

Magnesium (Electrolyte)

Essential for energy production, muscle relaxation, and reducing fatigue.

Calcium (Electrolyte)

Supports bone health, muscle function, and cellular communication.

Chloride (Electrolyte)

Works with sodium to maintain proper fluid balance and pH levels.

Vitamin C

Powerful antioxidant that supports immunity and enhances iron absorption.

Dextrose

Quick-absorbing glucose that provides immediate energy.

Flavour & pack

Refreshing Lemon-Lime flavour • Packing: 20 effervescent tablets.

Sound Sleep

How to use

Designed to slip into your routine in less than 2 minutes.

**STEP 1
Take one tablet**

Take one effervescent tablet from the tube.

**STEP 2
Drop into water**

Drop it into a glass of water (approximately 200 ml).

**STEP 3
Let it dissolve**

Wait for it to dissolve completely (creates a refreshing fizz).

**STEP 4
Drink immediately**

Drink immediately for best results.

When should you reach for it?

- **During or after physical activity**
Replenish lost electrolytes from sweating.
- **Hot weather days**
Combat dehydration caused by heat.
- **Post-workout recovery**
Speed up muscle recovery and help reduce cramps.
- **Long workdays**
Maintain energy and focus throughout the day.
- **After illness**
Restore hydration levels when recovering.
- **Travel**
Stay energized during long journeys.
- **Anytime you feel dehydrated**
Listen to your body's signals.
